Soloists & Instrumentalists

If you wish to have vocalists at the service, please coordinate with the organist in respect to what type of voice you want and the repertoire you desire. If you are not sure of the vocal repertoire used at weddings, one can be chosen for you if you wish. If you want a soloist to be present, please speak to the organist at least **two months in advance**.

If you desire an instrumentalist, or an instrumental ensemble - such as a trumpeter or string quartet - the organist will organize this for you, providing you give him enough time (**two months prior to the wedding**) to prepare and produce a performer or ensemble that is/are available.

Fees

- The organist receives \$250.
- The soloist receives \$100 (includes 1 rehearsal with organist).
- The instrumentalist receives \$150 (includes 1 rehearsal with organist).

Rehearsal Fees

If you want an organist to be present at the wedding rehearsal, a supplemental fee of \$50 will apply (this is for preparation, rehearsal, and traveling time). Any questions should be addressed to the Music Director.

Wedding music consultations are made in arrangement with the organist.

Feel free to contact the organist with any questions you may have!

Thank you!
